Ask Kristy Scott About Thespian!

kristina.scott@dexterschools.org

The International Thespian Society (ITS) holds Michigan's largest annual theatre event is the Michigan Thespian Festival. Over the course of the two days at festival, students are able to see multiple shows, choose from over 50 different workshops (in various areas of performance and technical theatre), compete in a variety of Individual Events, audition for scholarships from colleges, and visit information booths and theatrical vendors.
