

Hello! My name is Juno Bursch, they/them, and I am an incoming junior. I have been in a myriad of shows, including *Oliver!*, *Game of Tiaras*, *The Wizard of Oz*, *The Most Cliche Elevator Play in the History of the Universe*, *Fiddler on the Roof*, *Sherwood: The Adventures of Robin Hood*, *That's Not How I Remember It*, *Tarzan*, *The Little Mermaid*, *Romeo and Juliet*, and *Footloose*. I am running for Communications Officer in the Dexter Drama Club.

I work well with other people. That is the most important part of being a communications officer. Being able to work with another person to keep the Drama Club informed about all events, rehearsals, and social media, is the most important trait of a communications officer. I have proven myself to be an attentive communicator, as well as organized, creative, and coordinated. Making sure all event times, dates, and locations are accurate is very important to me. I want to make sure everyone can get to their rehearsals, bonding events, and masterclasses. That starts with clear dates and times on the calendar. Additionally, I want to boost our YouTube channel by making more videos with my counterpart. Some of these video ideas include "A Guide to Memorizing Your Lines", "Physicality: How To", and "How to Read the Fly System (With the Tech Liaison)". This will expand the knowledge of the Drama Club, and help incoming members to figure out what they want to do in our club, with infinite opportunities and places to explore.

I will be honored if I am chosen to be a Communications officer. I will do everything in my power to make the Drama Club a more accessible place. Thank you for reading!
