

Hello to all my glorious, talented peers and friends. My name is Noah Wiseman and I am currently in the Sophomore grade quickly approaching to a Junior. In the last few years I have taken part in eight DDC shows playing roles such as Nikko the Monkey in Wizard of Oz, Doormouse in Alice, Green in Crafting a Killer, Prince Escalus in Romeo and Juliet and Principal Clark in Footloose among lesser roles in Sherwood, Tarzan and Little Mermaid. Along with several Improv Workshops Today. Speaking of Improv I am writing this letter as a proposal for the idea of electing me to be one of your Improv Captains for the 2022-2023 School Year. I have been doing Improv with the Dexter Drama Club for a little more than 3 years now and I believe that taking the position of Improv Captain is a challenge I wish to face to make Improv as enjoyable and loved as possible for the next school year. I do believe I would be a worthy successor to the many legendary Improv Captains that have come before and that I possess many traits that would be beneficial as a Captain myself. My dedication and passion to the Club has been unshakable and I only wish to make it an even better place, I always want to serve in any way I can to help anyone and everyone in whatever way I can. I know that as an officer I can be of more help and support to my amazing colleagues. As Improv Captain I not only want to help actors to develop the skill of acting without a script but I also want to create and promote a welcoming and inclusive community to all those who want to join. I understand that many people who go to Improv don't necessarily want to act and I want to create an environment that is both stress free as well as welcoming to everyone. One of the best things about Improv is that it doesn't matter if you are an experienced actor or Drama veteran to join, it's a place that is open to everyone and even then you don't even have to act if you're not comfortable. I want to help promote Improv further to others, to invite them into this community with open arms and allow them to experience the same laughs and love that Improv already holds. Secondly is that I want to create an effective form of communication between myself and my second Improv Captain. I want there to be a strong form of unity and teamwork between us both to benefit the entire Improv and Drama community as a whole. Lastly, I just want to be there for people. As an Improv Captain I not only want to be a strong and welcoming leader but also someone that people can look to for help. Whenever you are feeling down or alone, I want to be that strong arm you can cling to and tell you that everything is going to be okay. I want people to know that as long as I'm alive they'll never be alone. I've loved this club since I've joined it, my heart belongs to it and I want to share that love and heart with everyone else. As Improv Captain I promise all of you not just an hour of fun games every Friday with a few workshops, but a community without stress and unconditional love and support. One where anyone and everyone can come just to relax after a long week of school and have fun, to feel welcomed and to simply live, laugh and love with a whole lot of Improv. I hope everyone reading this takes my words into consideration for this vote and I dearly hope that I can make these words become a reality. But I can only make these promises true with your careful consideration. Thank you.

Sincerely Noah Wiseman
