March 9, 2021

ATTENDEES

Jodi Helmholtz, Erin Palmer, Karla Butters, Margie Portice, Megan Urbin, Heather Smith, Abby O'Haver, Kristin Tomczak, Julie Arnold, Shannan Shaw, Jennifer Moraschinelli and Martin Ruhlig

General

Welcome New Members and Guests!

The Spring Improv Workshop had to be cancelled; trying to find a date to reschedule.

Future Boosters/Senior Parents – has been on the agenda a few times now. Boosters are to look around for where we need help so we know what will be needed for next year which will hopefully look more “normal”. Heather Smith interested in doing concessions and was to talk with Jodi after the meeting ended.

Senior Honors – question was posed to discuss potential items for the seniors such as pictures, shirts, and bags. More bags will be needed and all in attendance agreed we should order more. Pictures are being sorted through including going through older ones. Feedback from prior seniors was they liked the pictures and the T-shirts but didn't really need the school supplies or maybe the poem. Someone brought up reaching out to see if we can get the ice cream places to donate some ice cream gift certificates to give them possibly one nice bigger gift.

3D Review

Thank you to all that helped! Worked out well to have assistance particularly with the seating.

Ticket Sales were pretty good considering. There was discussion regarding one school board member who has donated \$100 every show. Decision was to have the student officers make a video message thanking him for his generous contributions with “I see you” to be the theme.

Tarzan

This show will be going back out to the woods. All attempts will be made to remain outside as much as possible.

Publicity – we will have the normal posters. Also need a banner which will sadly need to be made by a new banner supplier.

Swag – Margie, will need to see the count on masks and determine if more need to be ordered. Martin has a t-shirt design which will be sent along with the poster design to Erin for approval. There will be zip-up hoodies sold as usual for spring shows.

Hospitality – will run the same as prior shows, water only to be supplied, food may be able to be served outside, but that decision is still pending.

Set Build – Rick Urbin to be lead. Need to walk the field and do a preliminary layout. Those who need to be involved will get something scheduled soon.

Tickets – will be a bit different. This show is licensed thru MTI, who do not allow “On The Stage” for streaming. As a result, we will need to use a new streaming company. This should be nothing majorly different just a minor tweak or two of adjustment.

Cast, Crew and Pit will be open to both high school and middle school students. There will be a live pit crew which will be awesome. Brian Rose is having pit auditions on Wednesday. The try out demos are only needed to be sent in by those individuals who haven’t played for Brian before. Most cast roles can be played by any gender so students should feel free to review all their characters of interest and tryout for any regardless of the stated gender.

Upcoming Events

DDC Film Festival – All submissions are in; the event is set for April 30th – should be fun!

Gala – is all set for Friday June 11th.
