

Dear all drama members past and present,

This message is for you! My name is Violet Vrsek and I am running for Sergeant in Arms for 2023-2024. I will be a sophomore during that year. I have only been in 3 productions where I was all acting in (*The Little Mermaid*, *Descendants*, and just recently *Sound of Music*). I know I might be a little young, but the Dexter Drama Club has really helped provide my family hope and needed optimism during some of some dark, trying time. Despite how young I am, I can still offer my organization skills, positivity, and extrovertism to the club. I have decided to run for Sergeant of Arms simply because I want to be that person that you can rely on to give any drama kid a sense of security. I want to help you make the Dexter Drama Club your home away from home.

Sergeant in Arms is responsible for taking care of the bonding events and planning school spirit days. I literally love planning; I plan my day out before it even happens to be honest. What I plan to do if I get elected to the position would be to plan out the most fun bonding events, do team building warm ups and much more. But before I get off track, I just want to end this letter by saying that my hope is, if I were to be elected, I would spread as much positivity as possible. I could do this with my availability, ill be here whenever you need. If you need someone email me, or text me. No matter what time it is at night. I want to be able to be there for you. in the end We are all drama kids, but before that we are students, but expanding on that at the end of the day we are our own complex humans with feelings and emotions. Mental health comes first. I've struggled with my mental health at times, so I know it can be rough. So I want to be that person who you can trust to go to in a tough situation. I believe that I have enough responsibility, Passion, Determination, Positivity, and Creativity for this job. I will do whatever it takes to make your drama experience as fun, memorable and easy as it possibly can be!

Sincerely
Violet Vrsek :)
