

Howdy, y'all! I'm Avery Meloche and I'm running for the position of Thespian Liason. I'm an incoming sophomore for the 2022-2023 school year and have been involved with DDC since 7th grade. I started with pit during Wizard of Oz and have done acting ever since in the major shows like Tarzan (ensemble), The Little Mermaid (ensemble), Romeo and Juliet (Friar John, ensemble), and most recently Footloose (ensemble). I joined the DHS Thespian Troupe in Winter of 2021 and was awarded a Director's Choice award at the gala of my 8th grade year. Besides shows, I'm always at other drama events and activities (such as bonding events and Spirit Week) to help support the club and my friends.

I feel as though I'd be good for this position because I'm not only dedicated to the drama club, but theater in general. Theater is my greatest passion and while I'm yet to experience every aspect, I plan to. I work well with others and am good at communication. I enjoy teaching other people about theater and feel like this position would allow me to bring out that strength. I'm a fast learner and can pick up how to do tasks easily. I can keep things organized and am willing to put time and effort into my job.

Thank you for the opportunity to apply for this position! This club means a lot to me and I would love to be able to contribute to it as much as I possibly can. I'm looking forward to the upcoming year in drama and am excited to meet next years' officers. Thank you for your time and consideration!
