

Hello Everyone!

My name is Emmy Rhizal and I will be a Senior for the 2021-2022 school year. I have been an active member of the Dexter Drama Club since my Freshman year, and have participated in every production available to me since then! I have done both acting and tech, most recently including ensemble and makeup crew during Tarzan, Maid Marian during Sherwood, and acting and directing for 3D! I am also a Thespian, I regularly attend Improv, and I served this past year as your Sergeant at Arms! This club means so much to me, and I can't think of another place where I would rather spend my time and energy. I am incredibly grateful for the wonderful experiences I have had in drama, including all of the social, educational, and theatrical aspects of this amazing club! I promise to continue to work to provide these experiences for anyone participating in drama throughout this next year. If elected to be one of your officers, I will be dedicated towards making this club a place of fond memories for all involved with drama!

Throughout this past year, I have proven my capabilities as an officer and a leader. I am responsible, punctual, organized, and enthusiastic, and I will put all of my effort into going above and beyond the expectations for a Thespian Liaison! I have been a thespian for two years and involved in the drama club for longer, so I would hope to be a wealth of information regarding both Thespian and Dexter Drama affairs! As your past Sergeant At Arms, I have learned to be welcoming and approachable, which would help me gather new participants for Thespian.

Theatre has been a big part of my life ever since second grade, when I participated in my first production. It is my biggest passion, and one that has held a very special place for me for a very long time. Thus, I am very enthusiastic to become more involved in a community of other theatre-lovers! I believe meeting new people and understanding them and their experiences is very beneficial. Thespian Festival gives us the opportunity to do this in a way unparalleled to many other high school experiences. I will research what other schools do at Festival to find ways to better our own experience, and I will work hard to make information on Individual Events more easily accessible to our Thespian members. Furthermore, I will try extra hard to reach out to middle schoolers about becoming a Thespian. I hope to interact with members of Mill Creek and potentially put up flyers around the school and office to provide an easy way to learn about becoming a Thespian. Additionally, I would like to start having a Thespian representative come along on teaser days so they might personally interact with middle school students and promote becoming a Thespian to anyone who will listen. Lastly, I will be dedicated to this position, and I will work hard to ensure all the work surrounding it gets done.

Overall, I love theatre and I would be super excited to help others experience the same joy it can bring. Enthusiasm for drama is essential to being an effective Thespian Liaison, and I have that in abundance. I would be absolutely honored to be your Thespian Liaison and to give back to the community that has fed my dramatic energy since a young age!

Thank you so much for your consideration!

Sincerely, Emmy Rhizal
