

Hello Everyone!

My name is Emmy Rhizal and I will be a Senior for the 2021-2022 school year. I have been an active member of the Dexter Drama Club since my Freshman year, and have participated in every production available to me since then! I have done both acting and tech, most recently including ensemble and makeup crew during *Tarzan*, Maid Marian during *Sherwood*, and acting and directing for 3D! I am also a Thespian, I regularly attend Improv, and I served this past year as your Sergeant at Arms! This club means so much to me, and I can't think of another place where I would rather spend my time and energy. I am incredibly grateful for the wonderful experiences I have had in drama, including all of the social, educational, and theatrical aspects of this amazing club! I promise to continue to work to provide these experiences for anyone participating in drama throughout this next year. If elected to be one of your officers, I will be dedicated towards making this club a place of fond memories for all involved with drama!

Throughout this past year, I have immensely enjoyed being one of your officers. Not only do I love the collaborative atmosphere, but I love being involved in the inner workings of the drama club! This is one of the reasons I would like to run for Vice President: I want to do everything I can to help the club run smoothly, and to be a resource for any and all members of the club! I am responsible and organized, which will help me to ensure the completion of all tasks I receive as well as support the President however is needed. I will also use my experience as Sergeant At Arms to support the individual members of this club however they need! Additionally, I am good at taking initiative! Due to the nature of this position, it is necessary to have the dedication to create jobs for yourself in order to best support the needs of the club. I have this dedication in abundance, and I would be beyond excited to both uphold old traditions and create new ones! In fact, I already have a few ideas. I would like to continue the master classes that our current Vice President has started, as they are a wonderful opportunity to learn about more areas of theatre! Additionally, I would like to get the tutoring program from a few years prior up and running again, now that we are in person. Moreover, I would like to start an audition prep program! Auditioning can be very nerve-wracking, so I wanted to create an opportunity to gather and work together to prepare before every show. I will provide monologues and scenes to help everyone get used to cold reads and performing in front of people. Of course, this would also be an opportunity for peer advice on character voices, physicality, prepared songs, and more! I would also like to implement a birthday program. I am a firm believer in lots of celebration, so I would give every drama student a birthday card and small dollar store gift for their birthday!

All in all, I would be beyond excited to work as your new Vice President. I have proven my leadership capabilities through my current officer position, and I would be beyond excited to do so in a new position as well! I love the drama club more than words can possibly convey, and it would be my dream come true to further support you all through the position of Vice President.

Thank you so much for your consideration!

Sincerely, Emmy Rhizal
