

Hello Improv Club,

I'm Elliot Portice and I'm running for Improv Captain for the 2021-2022 school year. I will be a senior next year. I've been doing improv since 7th grade and love everything about the improv club at DHS. We're very lucky to have an improv troupe at our high school, especially one of our prestige. I have many plans of how to lead the club and what directions to take it.

While improv has been open to middle schoolers for many years, we've never had a very large presence of middle schoolers regularly attending. I plan to work harder on recruiting middle schoolers to the club and making it easier for them to attend meetings and practices. This will open opportunities for middle schoolers and foster more experienced improv members in the future.

I would also like to produce new improv merch. The improv club made t-shirts last year, but not many people bought them. I will work on making new t-shirts with student input on designs and color. I will take whatever steps necessary to successfully produce new improv merch that will be more popular and widely used by the improv club.

The improv club has held a special place in my heart for years. I'm so excited to have the opportunity to lead this club and my years of experience qualify me for this position. I've been involved in the improv club for a long time and I hope to bring my knowledge and aspirations to the club next year. Thank you for reading this letter and considering my nomination for improv captain.

Sincerely,

Elliot Portice
