

Dear Dexter Drama Club,

My name is Katherine Rossow, but most people call me Kate. I will be a sophomore at Dexter High School during the 2022/23 school year. I came to Dexter at the beginning of this year and have participated in everything I could. I was Grimsby in The Little Mermaid after a last minute cast change during tech week. In that same show, I also played Windward and was a part of the Eel ensemble. Then I auditioned for Romeo and Juliet and portrayed Abram from the house of Capulet on stage. Finally during Footloose I was part of the teenage ensemble and a member of hair crew. Throughout the year I have also attended many improv meetings and thoroughly enjoyed myself. However, because of sickness, I have yet to be in an improv show. I have also enjoyed going to bonding events all throughout the past year. I would be an effective officer because I am very passionate about theater. I love to lead groups of people and help everyone have the best experience they can. I am interested in being your Sergeant at Arms next year because I love energizing and creating wonderful things. I went to most bonding events this year and all of them were fun and exciting. That is what I hope to continue doing as your Sergeant next year. I have always been creative and I believe that creativeness will grow and thrive in this officer position. Planning bonding events and working with the other officers to make everyone have a wonderful time is what I want to do. Even though I have only been in this program for a year I have many great relationships and bonds. I promise as your Sergeant I would find joy in getting to know everyone backstage, on stage, and in the pit involved in our productions and help make everyone feel welcome. Being welcomed and loved for who you are is something I believe strongly in and I hope I can express that in all I do. As a *student* leader I would be able to understand the struggles of my fellow classmates and the tiredness after trying to stay energetic and positive all throughout the long rehearsal process. As your sergeant at arms I would try my best to give other people the energy and enthusiasm they need even when I am not at my best. I believe that I can thrive in this position and I can help, encourage, and support all those around me as well. I have a strong passion for theater that I do not believe in going anywhere soon and I believe that being able to express that as a student leader would be amazing. I also love collaboration and working with others to solve problems. As an officer I would constantly get to do this with all the other leaders. I promise to be helpful, reliable, and a good listener when it comes to working as one unit to help the DDC be the best it can for everyone. Leading acting warm up games, making posters, putting up flyers, and just being the voice of our student body in the drama club are all things I would be excited and thrilled to do. I believe I am a good candidate because of my passion for theater, creativity and ideas, and leadership. I am aware that I would be a young officer; however, I will most likely have my driver's license in the fall so driving myself to and from bonding events, rehearsals, or meetings would not be an issue. Thank you for taking time to read my letter. I hope you will graciously choose me to be your Sergeant at Arms next year and I hope that no matter what happens, I can get to know each and every one of you wonderful human beings. Have a good week!

Your Fellow Classmate and Friend,
Kate Rossow
