**Publicity:** Billboard is up! The Teaser Day is being organized and will occur on Wednesday before the show. The Banner (by Aubree’s), posters and yard signs are on track. There’s a bit of a time crunch schedule-wise with some publicity volunteer sign-ups this year (poster placement at Busch’s and A-frame painting/placement outside).

**Volunteer Coordinator:** Revised the “front of house” volunteer sign-ups this year to make it potentially more flexible and easier to fill vacancies if needed.

**Set Build Coord. Fall:** Set Build is wrapping up. We purchased 2 snow machines! Also, thank you to Emily Fawcett’s Dad for picking up and rebuilding a carriage!

**Sponsorships:** Sponsorships are very successful this year, with close to \$5,000 raised so far! Most sponsors are asking for a Season level sponsorship. There was a discussion about rearranging the order of the sponsorship levels/forms on the website. Adam assisted with rearranging the sponsorship forms on the DDC website at the meeting.

**SWAG:** Shirts and flowers have been ordered!

**Tickets Sales:** Tickets have been designed and ordered. Still evaluating different apps for no cash ticket sales, but all apps have some fees associated with them (Venmo, On the Stage, PayPal, etc.).

**Website:** Sheri and Adam are working on updates to the Boosters information page and Sponsorships/Ads (once finalized).

**Social Media:** Student Communications officers will post shout-outs/videos to sponsors on Social media platforms. Hoping to promote the show on Instagram, FB and YouTube.
