

Hi my name is Aly Robertson, I will be a junior during the 2023-2024 season and I am running for the position of Thespian Liaison. I have been in the Dexter Drama Club for 4 years now, 2 in high school, 2 in middle school. Throughout my time in the club I have done acting for 3D 2019, makeup crew five times, Tarzan through The Lion, The Witch, and The Wardrobe, including heading twice- Footloose and The Lion, The Witch, and The Wardrobe-, publicity during 3D 2022, costumes stage one during Descendants, props and lavs during Sound of music. Doing a multitude of areas has given me experience which gives me knowledge of a lot of different areas. I became a thespian member this year, including going to festival as well. I want to be thespian liaison because I genuinely enjoyed being at festival and I want to be a part of making thespian festival such a joyful and memorable experience for others as it was for me.

If I am elected to be the thespian liaison I will make sure I want to be someone people will be able to come up to for help or to ask questions. I am an adamant reader, and learner, who will study the ins and outs of the International Thespian Society handbook, the thespian liaison binder, pin sheet, and the point system. In order to properly do the role of thespian liaison and answer any questions thrown my way by our members or those interested in joining; there is never a stupid question if it's asked honestly looking for an answer. I would serve as a link between the International Thespian Society and our Dexter Drama Club.

It is important that as the thespian liaison you are in the thespian troupe and have gone to thespian festival to make sure you know how to coordinate the information, paperwork, and troupe for this event. Thespian liaison has to be able to communicate with the proper adults and student members; I fill this role because I always enjoy talking to others. Being able to communicate is one of the skills needed to be thespian liaison, another is staying organized and on time. I keep all of my information organized and am rarely, if ever, late; I like getting things done when I get it and in a timely manner. I enjoy helping others, which is a good quality to have when you help to guide current or future thespian members. A way I will recruit new members is by holding a thespian workshop where people will share fun memories and stories of being a thespian, explain what being a thespian member is -go 2258- what festival is and what it's like.

I promise that if I am elected I will do the best I can do for this club and our International Thespian Society troupe!
