

My name is Haila Moazami, and I will be a junior in the upcoming 2020-2021 school year. In this officer election, I am running for the position of President. I have been a member of the Dexter Drama Club since seventh grade, and have been in as many shows as possible since. While I have never had a lead role, I have played a few minor characters such as Charley in *Oliver*, Mayor of Munchkin City in *The Wizard of Oz*, and The Mad Hatter in *Alice*, during 3D. In *Fiddler On The Roof*, I was selected as a Dance Captain due to both my ability to learn dances quickly, and my leadership skills. I have worked very hard to improve my skills as an actor outside of the club as well, and have attended Thespian Festival and quite a few theater workshops.

The President is a role model for the Drama Club. As such, leadership skills are incredibly important for the position. I have experience being a great leader. I was the youngest dance captain in *Fiddler*, and I was chosen because I had shown myself to be a leader more than once. I had helped other cast members review dances, and even taught them pieces they had missed. I have been selected as head of choir room cleanup during Strike more than once, and each time I made sure my team and I were working as efficiently as possible. When I have a goal, I know how to delegate others and myself to achieve it. I coordinated a school-wide fundraiser for Hurricane Sandy relief when I was only a third grader. I am an excellent leader, and I do my best to make sure tasks are done fast and done right.

The President is also responsible for coordination with Improv, Boosters, Directors, and Advisors. My house has a strong, stable internet connection 24/7, and I respond to almost all of my texts, calls, and emails immediately. I pride myself in being reachable all day every day. I've greatly improved my planning and communication skills throughout my membership in the Drama Club, so communication and coordination would not be a problem for me. I'm also very skilled with public speaking, so meetings and announcements are something I can handle with ease.

Our Drama Club's next president above all else needs to be someone who is devoted to the Drama Club. Being the President is a huge time commitment, and it cannot be handled without the passion to back it up. I have been a member of the Drama Club since the seventh grade. I practice my songs and dances outside of rehearsal, I take notes in my script, I check and double check the calendar every day to make sure I'm showing up on time for rehearsal. I have loved this club since my first rehearsal, and I try my hardest every day to put forward 100% of my abilities. Whenever I'm given a task, I do it to the best of my ability. I love this club, and I want to help it run smoothly. I want to help the club and I want to help its members. I think every member of the Drama Club should feel happy and healthy as often as possible, and I want to help people achieve that. I will be someone you can trust to help you in any circumstance.

As President of the Drama Club, I will be a good leader and role model, I will communicate and coordinate with our club's partners, and I will handle every job that comes my way in the most effective way possible. I want to make a difference in this club, and being President would give me a way to do that. I promise to be a President you can rely on. This Club has given me incredible opportunities to grow, and I want to give back. I hope you will consider me in the 2020-2021 Officer Elections.
