

Every school year, Dexter Drama Club presents 3 incredible main stage productions. At each production, we distribute professionally-printed programs to our guests. These programs provide a great opportunity for businesses like yours to reach over 4,000 patrons who attended the 2017-18 season shows.

The Dexter Drama Club is a 501(c)(3) volunteer-operated and independently funded program that relies on donations and sponsorships to make Theatre available to the Dexter Community School system. 100% of all donations and sponsorships go towards supporting education, purchase of stage equipment, construction materials, and costumes. Student participants are able to develop communication, problem solving, time management, and teamwork skills. The club provides 3 mainstage productions, 6-8 student-directed shows, and 5 improv performances that provide affordable entertainment for the community.

Please consider being a part of this wonderful program by sponsoring us through an advertisement OR a donation.
