

Hey all,

I am Owen Carlson and next school year I will be a junior. This year was my 3rd year in the Drama Club and *Tarzan* was my 6th show. I started out with being a member sound/running crew on *Oliver* as well as being a Sweet Potato in 3D (2019), Sir Guy in *Sherwood*, and most recently I was on LAVs for *Tarzan*. Throughout these shows I have had fantastic experiences as well as met a lot of wonderful people. This club has been a large part of my life for the past three years and I feel like it's time to put more of my effort into this club to make it the best it can be.

This leads me into my nomination as your Vice President. As your Vice President I would firstly expand on the Master Classes. I would send a form out to people to help find a good time to run these and to find topics that people would be interested in. Hopefully with this format I would be able to run one Master Class per show that we have. Another idea that I would have is to target the Facebook more toward the parents. Most of the kids in the club have been using Blackboard or Instagram as a method of communication and information; therefore, we should shift the Facebook more toward the people that are viewing it: the parents. And lastly, I believe that as elected officers, we should know how to best improve and gain feedback from the people who we are representing. We could gain this feedback through google forms after every show that would be anonymous and could provide feedback on how to improve.

A large amount of the Vice President's job is centered around coordination and support. These are traits at which I would excel. I also believe that being organized is one of my areas of strengths. Vice President's will also need to properly communicate to the entire club. As a member of debate I will be able to address the entire club without hesitation.

As Vice President I would want to be the person that people would feel comfortable talking to about anything. Even if it were not Drama Club related. The most important thing is to be open and friendly to everyone. I am also willing to do any odd job or support any officer as would be needed. Overall I would do anything I need to do to help support the club and the people in it to the best of my ability.

Thank you for taking the time to read this and considering me as your Vice President,
Owen Carlson
