

Hiya, Drama Club!

For those of you who don't already know me, my name is Maggie Needham and I am an incoming senior. I have been a member of the club since 7th grade (which totally boggles my mind!) I have been a part of twelve shows over the past five years. These include *Hercules*, *Cinderella*, *Lion King*, *On the Town*, *Peter Pan*, *Oliver!*, *3D Spring 2019: 8:46* and *Magic School Bus*, *Little Shop of Horrors*, *The Wizard of Oz*, *3D Fall 2019: Sweet Potato Madness*, *Fiddler on the Roof*, and (fingers crossed) *Clue*. In *Peter Pan*, I got to play the role of Slightly Soiled as well as be a part of the flying crew! During *Fiddler on the Roof*, I was a member of the lights crew, an experience that truly gave me some new perspective, as well as some new friends! This club means everything to me... more than I know how to articulate. And I want to make it the best possible place for everyone involved, especially the younger up and coming generations.

In this position, I want to expand on the advertising possibilities that are made possible through our internet basis. This will largely be built on the experience that I have gained in the past year creating the video trailers for our shows. One of my goals would be to amp up our Facebook page and garner more public attention from it. I will be a master cooperater on publicity ideas and voice new concepts and be an outlet for other voices too.

I understand that this position is in charge of coordinating our teaser days and I want to make sure that these well organized, as well as are exciting and help increase student attendance at our shows. There are certain unspoken aspects to this position in particular. They are not only a catch-all officer, but they are a person who is constantly resolving conflicts and keeping an eye on the community. A mediator, a kind force, and an optimistic officer. These are characteristics I would try my hardest to embody as the Vice President. I want to be a friendly face for all members of the drama club as well as a strong leader.

I feel ready to take on this kind of responsibility and I want to have a positive impact during my final year in high school. If I am elected vice president, I promise to work incredibly hard to make sure everything is running smoothly!

Thank you so much for your consideration,

Maggie
